STATUS UPDATE

Per Judges March 17, 2022 Directives –

- A.) Plaintiff attempted to use E-File per link provided by Court but ECF stated that those links no longer work and provided Plaintiff with a new link but ECF access is still on hold for Plaintiff.
- B.) Plaintiff signed up with Federal Pro Bono Project, Justice & Diversity Center, Bar Association of San Francisco as requested by the Judge and conducted an interview with them.
- C.) Plaintiff passed half-way mark on editing of new First Amended Compliant per Judge's directives of March 17, 2022
- D. For definition purposes, Plaintiff requests that all parties agree to the Wikipedia definition as :
"A deep state is a type of governance made up of potentially secret and unauthorised networks of power operating independently of a state's political leadership in pursuit of their own agenda and goals. In popular usage, the term carries overwhelmingly negative connotations. [2] The range of possible uses of the term is similar to that for shadow government. The expression state within a state is an older and similar concept. Historically, it designated a well-defined organization which seeks to function independently, [3] whereas the deep state refers more to a hidden organization seeking to manipulate the public state.
